Dear Hiring Manager,

My name is Alexander Govea, and I believe in providing value by developing beautiful and functional web applications that solve problems for real businesses.

I read more about your opening for a web developer position and I believe my professional goals align with yours.

Since the beginning of 2019 and the later part of 2018 I have been developing web applications with the latest Javascript technologies. My focus has been to design visually appealing and fully functional web applications that can be utilized by real companies. I pride myself in writing clean, readable and modular code using best practices such as MVC, BEM and asynchronous programming patterns.

Daily Tech: React/ Redux/ scss/ javascript/ HTML/ CSS

Currently Learning: Nodejs/ GraphQL/ MongoDB

I have significant experience designing and prototyping websites. At my current job I pride myself in working well under pressure, being a team player, and handling unexpected situations.

If you think we might be a good fit, please reach out to me at (805) 758-5058 or alexander_alatorre1993@hotmail.com. I would love to talk more about my skills and qualifications.
